OUR CHURCH IS TO BE SOLD

Our church is to be sold! Yes, our church is to be sold! No, we are not about to lose our building through foreclosure or repudiated debt. However, our church must be sold to the city and county. It has been planted to wield an influence beyond its membership and walls. Thus, we are presented with an enormous challenge.

Our church must be sold to the unchurched! There are scores of people in our community who would attend our church and join us in the Lord's service if we would bother to sell our church to them.

How much is our church worth to you? How much do you value its ministry? How much do you value the Christ it proclaims? As a member of this church, you are selling your church to others every day. Are you selling it short? Has it helped you to the extent that you're willing to sell it to others? Will you be enthusiastic in talking about your church? Will you share your church with others who have no idea what they're missing?

Take our church seriously and talk to people about what our church has to offer them.
