

Slaves adopted into freedom

Galatians 3:26-4:7

The blessing of belonging

1. When we are baptized, we have “put on Christ.”
2. Paul continues the metaphor of the slave who becomes a son.
3. God doesn't play favorites.

What is our proper response?

4. We are God's children so we should trust his grace.
5. We are heirs. We should claim our inheritance.
