

The law's supervision

Galatians 3:6-25

Even in the Old Testament, faith is greater than law

1. Abraham was made righteous because of his faith.
2. Abraham was to bless all nations, i.e., Gentiles.
3. Abraham and his "seed" (singular) suggests Jesus Christ.

Why did the God give Moses the law?

4. Because of transgressions.
5. To imprison humanity, limiting our sinfulness.
6. To lead us to Christ.

Our proper response

7. Place our faith in God's power, not our goodness.
8. Offer this grace to others instead of legalism.
